Jobs and Opportunity Initiative Brazil (JOI Brazil) RFP Overview

J-PAL´s Jobs and Opportunity Initiative Brazil (JOI Brazil) funds randomized evaluations that address pressing labor market challenges related to supply and matching, job creation, the future of jobs, and social issues and labor markets. JOI Brazil is now calling for proposals from J-PAL affiliates, J-PAL postdocs, and J-PAL invited researchers for full research projects, pilot studies, and development grants. PhD students, with support from an advisor who is a J-PAL affiliate or invited researcher, are also eligible to apply.

Letters of interest are due by Thursday, August 25, 2022 at 7:00 PM UTC-3. Proposals are due by Thursday, October 6, 2022 at 7:00 PM UTC-3.

The JOI Brazil Initiative is funded by donations in Brazilian Real (BRL) and the Initiative will make all awards in BRL. Please be sure to submit your budget in BRL. If you expect to use your award, if successful, for expenses outside of Brazil, we will work to send grant funds to you in the currency needed, but you will be responsible for any currency risks.

The full Jobs and Opportunity Initiative Brazil (JOI Brazil) Overview and Instructions can be found [here](#).

*

Jobs and Opportunity Initiative Brazil (JOI BR) Eligible Researcher

Please identify the researcher who is eligible for JOI Brazil funding. This may be the principal PI, or any eligible PI if there are multiple eligible researchers associated with the proposal.
Click on the magnifying glass to the right of the field. Type in at least the first 3 characters of the PI name and click GO.

Please note eligible PhD students are those that have a J-PAL affiliate or J-PAL invited researcher as an advisor.

*

Select JOI BR Eligibility Criteria

Indicate how the PI identified above is eligible for JOI Brazil funding.

Available		**Chosen**	
J-PAL Affiliate			
Invited Researcher			
J-PAL Postdoc			
PhD Student			

Advisor of PhD Student Applicants

If you are a PhD student, please indicate the J-PAL affiliated researcher or J-PAL invited researcher who serves as an adviser on your dissertation committee at your host university.

Identify Team Members

Click the link below to add PIs, team members, or project collaborators.

[Click here to Add Collaborators](#)

The person who started the application will be assigned the role of applicant which will be visible on the **Manage Team Members** *tab.* **Do not, under any circumstances, edit that assignment.**

If a contact has multiple roles, add the team member and indicate the first role, then add them again to assign another role. If you are assigned the applicant role because you are completing or started the application and you are also a PI you will need to add yourself again and identify yourself as such. When the pop-up asks if you would like to give access to this team member, select no, and move on to assigning the additional role.

*

JOI Brazil Eligible Researcher Certification

I certify that any listed J-PAL affiliates or J-PAL invited researchers have agreed to be active, engaged, and responsive PIs or advisors on this project. Affiliates and invited researchers who are involved have confirmed they will be dedicated to guaranteeing quality control on all aspects of this research; and that their participation is not merely to provide access to resources and funding to other project team members who would be otherwise ineligible.
