J-PAL and its partner organizations recruit for hundreds of positions on a regular basis. Positions may be located at universities, research centers, and non-profit organizations connected to the work of our affiliated professors and partners around the world. They are available in field research, project management, and data analysis, as well as policy outreach, training, and finance & administration.
Senior Research Associate, Teacher Transfer - IPA
Uganda
One of the biggest challenges in supplying education services to poor populations is low personnel morale, low engagement, and high absenteeism. This problem is particularly severe in Uganda, where teacher absenteeism rates are estimated at 27 percent. However, Uganda's district-centralized...

Research Analyst, Social Safety Net Program - IPA
United States
Innovations for Poverty Action seeks a qualified Research Analyst to manage and analyze data from randomized field experiments. The research analyst's main project will be a multi-country RCT of productive enhancements to Social Safety Net programs in Francophone West Africa. This project is...

Research Associate, Mexico - IPA
Mexico
Crime, violence, and a weak rule of law jointly present some of the most pressing issues for Latin America. They affect citizen behavior and relations at every level of society, so these shortcomings impose a significant cost on the economy and constitute a severe threat to economic development...

Pre-Doctoral Research Fellow - J-PAL North
America
United States
MIT Professor Amy Finkelstein is looking to hire a highly skilled and motivated full-time pre-doctoral research fellow to begin in the summer or fall of 2020 and to work for two years as part of her research team. The position will entail close collaboration and assistance with the design and...

Senior Monitoring and Evaluation Associate - IPA
United States
Innovations for Poverty Action’s Right-Fit Evidence (RFE) Unit is seeking a Senior Associate to join our growing Monitoring, Evaluation and Learning (MEL) advisory practice. The RFE Unit is a global team at IPA which advises NGOs, social businesses, funders and governments on how to develop and...

Associate Director, Social Protection - IPA
United States
IPA’s Social Protection Program works with governments and other programs working to move households out of extreme poverty by creating economic opportunities for the poor. The Social Protection Program has a growing body of research on identifying and scaling effective social protection...

Associate Director, Business Development - IPA
United States
IPA’s Business Development team is focused on increasing the organization’s success in starting new research studies and strategic initiatives. This includes leading efforts for new partner engagement, developing multi-country studies, and expanding IPA’s network of leading academic researchers...
