The 14th WHARTONINDIA ECONOMICFORUM

Saturday, March 27, 2010 | Park Hyatt, Philadelphia

ABOUT WIEF

The Wharton India Economic Forum (WIEF) is an annual India-centric conference hosted by the Wharton School of the University of Pennsylvania, bringing together thought-leaders, professionals, faculty and students to discuss the opportunities that lie in India's way and the challenges that need to be addressed. Since its inception 13 years ago, WIEF has been the leading business forum focused on India in the United States.

The theme for the 14th Annual Wharton India Economic Forum is **India : Breaking Boundaries**
