overseeing the work on the ground. This may be one of the academic co-PI's or it may be a non-academic PI, such as the Executive Director or Director of Research of the ITRA. This person must be formally affiliated with the ITRA. Affiliation could be as a professor, associate professor, staff, fellow, or some other type of relationship that is recognized by the university or organization. A J-PAL Affiliation or J-PAL Invited Researcher status does not constitute an official affiliation with J-PAL regional office host universities.
